**Adams Brown/Audit**

Danielle Hollingshead, lead auditor with Adams Brown, attended the City Council meeting to present the City's 2024 audit and answer any questions. This financial report is designed to provide citizens, taxpayers, customers,

investors, and creditors with a general overview of the City's finances and is designed to show the City's accountability for money it receives.

Councilmember Kirsten Bruce moved to accept the 2024 audit as presented. Seconded by Tanner Corwin and passed 5-0 by voice vote.

#### **Sundstrom A/V Equipment**

When the Sundstrom Conference Center opened in 2013, Hopp Sound won the bid to provide and install the audio-visual system at the Sundstrom Conference Center. They have continued to maintain this system that is no longer manufactured. During installation, the sound components that are housed in the AV room were gently used and sold to the City of Lindsborg at a used price.

Currently, this system is obsolete, mics are in poor condition, and the projector does not meet specifications for many program presenters. It is not unusual for returning presenters to bring their own portable projector.

Hopp Sound was contacted to replace this system that they wired in, knowing that our labor would be far less than utilizing a company that would have to figure out what had been done in the past. They sent their recommendations for replacement mics, projector, and used sound mixer that will keep our expenses to a minimum while meeting new needs for meeting planners and presenters.

**Councilmember Blaine Heble moved to approve the quote from Hopp Sound to replace the projector, mics, and sound mixer at a maximum cost of \$7,074.00. Seconded by Kirsten Bruce and passed 5-0 by roll call vote.**

#### **ADJOURNMENT:**

**Councilmember Kirsten Bruce moved for adjournment, seconded by Councilmember John Presley, and passed 5-0 by voice vote. The meeting was adjourned at 6:48 p.m.**
